Hi Riders,

Fantastic day was had at PCAV Park for our club day. We had great entries and the place was alive with activity. Lots of new faces again and I hope everybody enjoyed themselves. Thanks to our judge Catrina and to Barbara for a delicious lunch.

I sent out an email for a training day in April and have had a really good response. You can choose to ride a test, ride parts of a test or just ride movements whatever you wish to do. Get onto this quick as spots are filling fast!!

Our next big event is our official competition in April also and will be looking for volunteers so keep the date free.

Look forward to seeing you all again in March.

Happy Riding.

Michelle

Club/Freshmans Day Entries - Please note that **NO LATE ENTRIES** will be accepted after the closing date in the future for our club comps. If you have special requests for times or duties, please put them with the entries at the time so as our event secretary can try to accommodate them if possible and organize the day and draw without having to reschedule everyone several times.

Entry fees must accompany entries. We don't have time to be chasing people up for payment at each competition. We leave entries open until the week of the comp, so please help us out by putting entries in on time and making your bank transfer at the same time you place your entry.

Entries are to be made via the YVDC website, and payment via EFT.

Another forward thinking idea we are going to implement at all of our club days is allowing the use of a snaffle bit at ALL LEVELS including the FEI Tests. Riders will now have the choice to use either a double bridle or a snaffle in Advanced and above tests. This change takes place immediately.

Arena Familiarization Rides at Club Days

We are now offering arena time on a club day for riders not wanting to ride a formal test. **You will be given the same amount of time in the indoor as any other rider riding a test.** The cost of this will be \$15 as no judge will be required. **Please book your ride at the time of entry as per normal entries;** times will be allocated for your arena time according to the entries received. This applies to horses NOT competing on the day. EG young horses etc.

New Dressage Rules come into play on Jan 1 2017 including the new helmet standards. Approved helmets must be worn at club/freshmans days.

Check the EV website for the latest rule changes and information about the new standards.

IMPORTANT REMINDER

Just a reminder to all members coming to the club days that we need to clean up the car park at the end of the day.

All hay and manure MUST be removed from the car park and placed in the provided bins.

We realise that you can't pick up every strand of hay but it is expected that you will scrape up the excess.

The committee shouldn't have to run around at the end of the day picking up manure and hay.

If we don't get this right at the March freshman's day, we will revert to rostering two riders on to do this task for the future.

If you aren't riding and you see manure in the warm-up arenas, please pick it up before it gets worked into the surface.

Thanks, if we all put in a little effort during the day, we can all go straight home at the end of the day!
