## **June 2016**

Hi Riders,

Wow, we are almost finished with the 6th month of the year, which means the warmer months are not too far away!! Hope everybody is staying warm and dry and getting some rides in when they can. They say that us horse people are crazy and i think winter proves that fact fairly well.

June club day we were again blessed with sunshine and great facilities. Big thanks to Catrina Corten and Tracey Gaspari for judging for us on the day and for your expertise given in the feedback. I think everybody appreciates these days and really takes something home to work on.

Coming up will be our AGM and awards night at the end of July. Look for more information about the evening in the newsletter pages. Please come along and enjoy the night and support your fellow members and think about becoming more involved in the club and coming onto the committee.

The interclub teams event which is normally run in August will this year be run on the 2nd of October at Werribee Park. I will be looking for riders to represent the club and will put that in one of the later newsletters to ask for interested combinations.

See you all in July.

Happy Riding.

Michelle Oliver.

## **IMPORTANT YVDC NEWS**

**\*\*\*\* YVDC HAS A BRAND NEW WEB SITE !!!!\*\*\*\*\***

After much hard work from our committee (Jan Herzig) we are proud to announce that we now have a fantastic new website. All information, newsletters, competition news, competition entry is all on line.

***You can now enter events, complete membership renewals, check the leaderboard all in the one site.***

**Club Day Entries -** Please note that ***NO LATE ENTRIES*** will be accepted after the closing date in the future for our club comps. If you have special requests for times or duties, please put them with the entries at the time so as our event secretary can try to accommodate them if possible and organize the day and draw without having to reschedule everyone several times.

*Another forward thinking idea we are going to implement at all of our club days (excluding official comps) is allowing the use of a snaffle bit at ALL LEVELS including the FEI Tests. Riders will now have the choice to use either a double bridle or a snaffle in Advanced and above tests. This change takes place immediately.*

*Entries are now to be done via the new YVDC website, and payment via EFT.*

### **Arena Familiarization Rides at Club Days**

**We are now offering arena time on a club day for riders not wanting to ride a formal test. You will be given the same amount of time in the indoor as any other rider riding a test. The cost of this will be \$15 as no judge will be required. Please book your ride at the time of entry as per normal entries, times will be allocated for your arena time according to the entries received. This applies to horses NOT competing on the day. EG young horses etc.**

**Could all winners of the Perpetual Tropies last year please return the trophies to Michelle Oliver at Horseland Lilydale. Thank you.**

Have you ever thought that you would like to join our YVDC Committee? It is time for the AGM and now is the perfect opportunity !! To have some input into the Club, bring new ideas and help out our ever hard working committee members. There are a few places in the general committee coming up and from my experience over the past three years it has been great fun. Meetings are once a month, very informal and a lot of fun. Nibblies, wine, cheese and horse chat and laughing are always on the agenda.

We are also looking for a new **EV Delegate** to represent YVDC. Rae Ansell has done an amazing job for several years and is hoping to pass the position to a new face. It involves attending a meeting at the Leveson Hotel ever second month and then reporting the details back to our club. Speak with Rae for further details if you are interested.

I am also looking for someone to take over the monthly newsletter. Unfortunately life has changed and gotten a little hectic and I am not able to give it the attention and time needed for a great newsletter.

It is again time for **Membership Renewal**. Member Renewal is all to be done **ONLINE** at our new YVDC website. You will find the renewal form, waiver and an extra page for Emergency Contact numbers for our records. This is a one off form or to be updated if your details change. ### **PINK FOR PAM DAY**

Our fundraiser club day in April for the Leadbeater Possums raised a sum of \$394.00. Unfortunately we were unable to contact the Leadbeater Possum Foundation so the Committee resolved to donate the money to the National Breast Cancer Foundation instead. Another charity that was close to Pam's heart.

Well it is that time of year again !!! Our AGM Dinner and Presentation night will be on 28 July 2016 at Wild Cattle Creek in Wandin. Please advise **Barb Geoffrey** if you will be there we would love to see everyone. See the flyer below for details.

At our August Club Day we have hoping to have a silent auctions to support our YVDC Member Sharon Gorton raise funds for an amazing program. If you can donate items for auction or donations please contact Michelle Oliver or Jenny Wall at [yarravalleydc@gmail.com](mailto:yarravalleydc@gmail.com).

**Sharon Gorton past is currently participating in the Australian Volunteer for International Development program and is training staff to enhance their skills at the Vientiane Autism Centre in Laos.**

**The Association for Autism (AfA) is currently seeking funds to develop a toy and resource library**

Buying good quality toys that encourage learning and development is difficult and expensive for many families with autistic children. In Laos this is compounded by poverty and also access to quality toys.

Research shows that well designed toys support a child's skill development and imagination as they learn through playing. Toys also encourage families to spend time together 'playing' which further reinforces social engagement for autistic children.

***Quality toys promote "good" play by aiding in the development, education and imaginative capacity of the child, and form in the child the ability to share and co-operate with other children.***

Our toy library will make available a diverse range of quality toys for children to take home and continue their development and reinforce their learning.

## **We need 100 toys to start this project.**

Please help us by donating money so we can buy the toys to start this much needed Toy Library. By buying toys in Laos we are also helping the local economy and community. All donations will be fully receipted and duly documented.

Please contact AfA if you would like to donate and like our Facebook page -

[www.facebook.com/laoautism.laa/](https://www.facebook.com/laoautism.laa/) .

You can also follow Sharon's adventures in Laos on Facebook letters from Laos page
