JANUARY 2017

Hi Members,

Hi Riders,

We enjoyed a super day at PCAV Park with lovely sunshine and lots of new faces to enjoy it. Thanks to Catrina Corten for her judging and to myself for doing the prelim riders. Hope I was able to give some useful feedback to the riders and I am sure Catrina gave her usual expertise to her riders. The day cannot run without all our wonderful helpers so thanks for all your support to make the day run smoothly. Big thanks to Jenny for all the behind the scenes work and to Barbara for the delicious lunch. We had a good turnout with lot of new members so I hope you all had a good first experience with the club.

Coming up in April we will be running our first official competition at PCAV so hope you can all keep the date free to come along and help. More information to come in the upcoming months.

To all the lucky members that are going to watch Charlotte Dujardin at Boneo Park on Saturday 21st I hope to catch up with you then.

Happy Riding.

Michelle Oliver.

## **New Members**

The club would like to welcome the following new members:

Emma Aldous

Kim Whitting

Michelle Jarvis

**Club/Freshmans Day Entries** - Please note that **NO LATE ENTRIES** will be accepted after the closing date in the future for our club comps. If you have special requests for times or duties, please put them with the entries at the time so as our event secretary can try to accommodate them if possible and organize the day and draw without having to reschedule everyone several times.

***Entries are to be made via the YVDC website, and payment via EFT.***

*Another forward thinking idea we are going to implement at all of our club days is allowing the use of a snaffle bit at ALL LEVELS including the FEI Tests. Riders will now have the choice to use either a double bridle or a snaffle in Advanced and above tests. This change takes place immediately.*

*From January 1st 2017, riders will also be able to ride at all levels in a snaffle at EA official competitions other than CDI's or events run under FEI rules.*

### **Arena Familiarization Rides at Club Days**

**We are now offering arena time on a club day for riders not wanting to ride a formal test. You will be given the same amount of time in the indoor as any other rider riding a test. The cost of this will be \$15 as no judge will be required. Please book your ride at the time of entry as per normal entries, times will be allocated for your arena time according to the entries received. This applies to horses NOT competing on the day. EG young horses etc.**

**New Dressage Rules come into play on Jan 1 2017 including the new helmet standards. Approved helmets must be worn at club/freshmans days.**

**Check the EV website for the latest rule changes and information about the new standards.**

January Club Day

# Dressage EV meeting 24<sup>th</sup> January Christine Smith.

This will be the last meeting I attend as the EV Board has decided to restructure the committee. The current committee has recommended that the selection be skills based and this may well mean that the Clubs and regions have no direct representation on the new committee.

Event reports.

DF 2016 - Entries were 50% up on last year, however HRCAAV had almost the same no of competitors just for Sunday.

- YVDC mentioned as a sponsor

- DJEP
- There will be an educational forum late in 2017 for riders, coaches and judges. The main presenter will be Stephen Clarke
  - There are 2 more Junior squad clinics at Werribee. 11-13 March & 22-23 April . Riders inquire if you are interested in attending.
  - The Senior squad is holding a fund raiser at Albert Park Yacht Club. They are looking for items for their auction.
  - There are new Para tests from Jan 17, 2017.

Amateur Owner Rider . The leader-board issues have been sorted. Hoping to announce a Rider of the month Comp. Looking for sponsors.They are looking to hold an AOR Championship, maybe in conjunction with the DF.

Clubs were reminded to get their competition dates in ASAP so that the calendar can be finalised.

## PCAV PARK –IMPROVED SAND ARENAS.

Work has taken place to provide a better depth of sand to improve the riding surface of the outdoor arena located alongside the indoor arena.

The top outdoor arena which is usually used as a warm-up arena will shortly have similar work to improve the surface.
