Hi Riders,

Again our weather gods were good to us for our June Freshman's day. We had a good turnout and our judges Catrina Corten and Viv Axton I am sure gave the riders that attended some valuable feedback to go home to work on.

Coming up next will be our July club day then followed by our Agm and awards night on the 20th of July. I have sent out a few emails regarding this night with all the information.

In August the Victorian Dressage Club is running the annual inter teams competition which we will have a team to represent Yarra Valley. I will finalise the riders soon and look forward to a fun day. We have a table on the day and invite members to come cheer on and support our riders.

See you all in July.

Happy Riding.

Michelle Oliver

DATES TO REMEMBER

2017 Club day, Freshmans and Open Competitions.

July 9th Club Day .2 Tests PCAV Park

July 20th (Thursday) Annual General Meeting, Wild Cattle Creek Restaurant, Wandin. Please advise Michelle Oliver if you are coming.
(yarravalleydc@gmail.com)

August 13th Freshman's Day .3 Tests PCAV Park

September 10th Club Day .1 Tests PCAV Park

October 8th –Official Competition at Boneo Park

November 12th Freshman's Day .2 Tests PCAV Park

December 3rd - Club Day .3 Tests PCAV Park

**Don't Forget to check out further news and updates
at our Website or facebook page**

www.yvdc.com.au

Club/Freshmans Day Entries - Please note that **NO LATE ENTRIES** will be accepted after the closing date in the future for our club comps. If you have special requests for times or duties, please put them with the entries at the time so as our event secretary can try to accommodate them if possible and organize the day and draw without having to reschedule everyone several times.

Entries are to be made via the YVDC website, and payment via EFT.

Arena Familiarization Rides at Club Days

We are now offering arena time on a club day for riders not wanting to ride a formal test. You will be given the same amount of time in the indoor as any other rider riding a test. The cost of this will be \$15 as no judge will be required. Please book your ride at the time of entry as per normal entries, times will be allocated for your arena time according to the entries received. This applies to horses NOT competing on the day. EG young horses etc.

New Dressage Rules came into play on Jan 1 2017 including the new helmet standards. Approved helmets must be worn at club/freshmans days.

Check the EV website for the latest rule changes and information about the new standards.

<http://www.equestrian.org.au/dressage-rules>

Calling of TESTS and ERRORS of the test.

If an error of the test occurs the chief or centreline judge will usually ring the bell and advise as to where the competitor should pick up and recommence the test. The test caller may only state what is required in each movement once or at most twice if the rider did not hear the first call of the movement.

Riders should gain instruction from the judge as to where to pick up the test and not seek instruction from

their caller or do several circles prior to the pick up point of the test, as in official competition this may be regarded as outside influence and additional errors of test and can unnecessarily delay the recommencement of the test.

Please leave the entrance to the indoor arena free while another competitor is riding their test as this can sometimes interfere with the concentration of the horse and rider in the arena.

At official competitions the EV rules state a minimum of 15 metres (where possible) surrounding the arena to be left free of spectators and photographers.

In the warm-up arena when walking on a long rein please leave the outside track free for other competitors to use.

All freshman and club days run under the same EV rules as official competitions and it is the responsibility of the rider to know and abide by them particularly in relation to correct gear, the welfare of the horse, safety of the rider and the rules of competition.

If you are unsure of how a rule is applied or have any questions, please ask one of the committee member who will be more than happy to help you out.

RAFFLE For our official competition in October

Please bring along any donations for our official competition to be held at Boneo to any of the club days.

Lilydale Vet Centre are sponsors of our October comp – See below for their Rhino fundraising campaign

What this is all about:

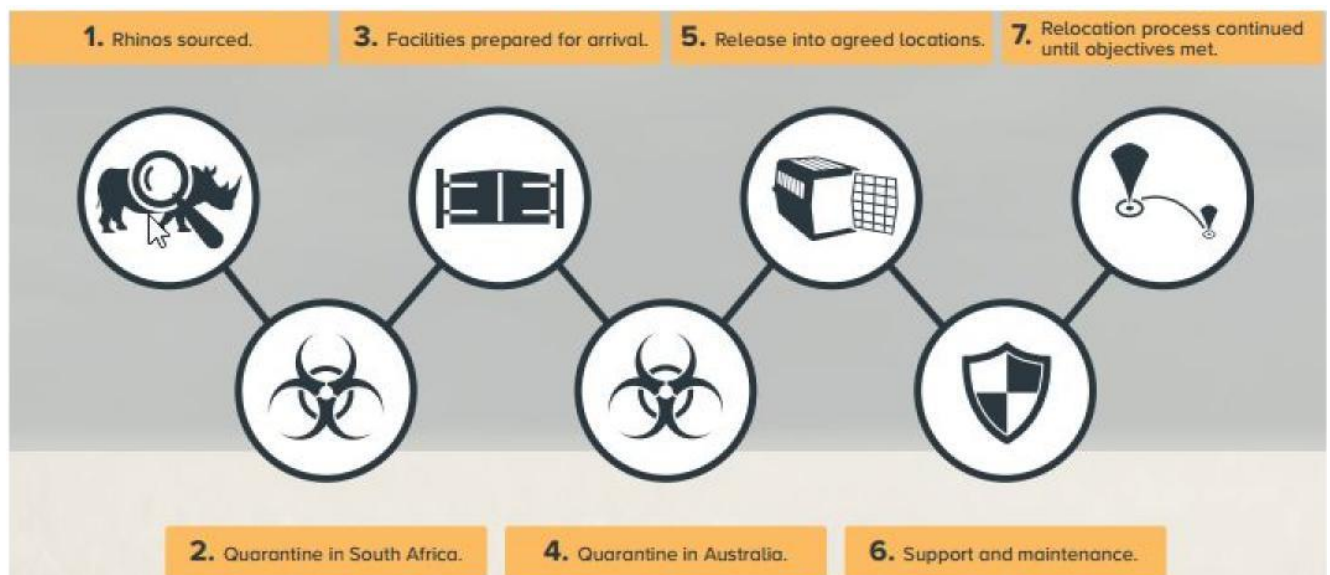

As you may be aware, our dynamic duo, Miranda and Renier, who run this clinic are both originally South African. You may also be aware of the incredible danger rhino's are currently in of becoming *entirely* extinct (not just technically extinct). The Northern White Rhino is unfortunately already *completely* extinct, with only a single male left.

Rhino's face such trouble due to the huge value of their horns in eastern medicine (upwards of \$100,000 per kg of horn. Average weight is 1-3 kg's). Rhino horn's are believed to be a sort of "cure-all" remedy. In the early 2000's rumours spread like wildfire about rhino horn curing all ailments, such as cancer.

The Australian Rhino Project are working hard to preserve the few rhino species that are still around for the good of the world. Their chances of survival are dramatically improved by importing 20 rhino's a year from Africa to Australia; a poacher-free environment with a similar climate provide the perfect habitat for rhino's to breed

safely and successfully. After increasing the species population *The Australian Rhino Project* will return a number of rhino's back to Africa to help restore their population. The end goal is to have 80 rhino's in Australia by the end of 2019 as an insurance herd, just in case those rhino's in Africa are still being hunted to extinction. This project is one of the few sustainable programs running for the conservation of rhinos, and within a few years may very well be the last hope for them as a species.

BLACK MARKET VALUES (PER KG)		
Rhino Horn		\$103,685
Gold		\$39,917

Miranda and Renier have been long time supporters of *The Australian Rhino Project*, and have finally decided to get the entire team here at *Lilydale Vet Centre* behind the cause. On October 28th, 2017 roughly 20 of us here will compete in Tough Mudder,

an intense 16+ km run featuring 20+ daunting obstacles. We hope to raise awareness for The Rhino Project as well as gather some donations for the rhino's plight.

How To Donate:

By donating any gold coin in the below box, you can vote for a team you think will “win” based on team members as well as the accurate team description provided above the voting boxes. The winning team will be decided by speed, obstacles overcome, and overall team morale.

Simply pop your donation into the purple box and alert the customer service staff that you would like to vote. After writing your name, phone number and client number down on an appointment card, slide it into the box of the team you think will win!

After Tough Mudder, a winning team will be decided and 3 names will be drawn from the winning teams box - those 3 people will win a DELUXE Lilydale Vet Centre hamper for both them and their pets to enjoy! 3 names will be drawn from the other team’s box, those people will win a regular Lilydale Vet Centre hamper! Either way, you and your pet will be in the running to win a lovely prize.

MY STORY

Lilydale Vet Centre is participating as a team in this year's Tough Mudder Melbourne 2017. By running over 16km and participating in over 20 enormous obstacles we hope to raise awareness for the plight of Rhinos - and The Australian Rhino Project's efforts in preserving their species.

This is the perfect project for us to support as it combines an incredibly important project, with our incredible love for animals. And of course, the owners of Lilydale Vet Centre are from South Africa, giving us yet another reason to care for the Rhinos.

LVC has split into two teams to compete against one another, in Tough Mudder. The Warthogs, and The Honey Badgers. Feel free to pop into the clinic and vote for the team you think will win - if your team wins you can win a prize! The Winner will be announced shortly after Tough Mudder and will be based on speed, obstacles overcome, and overall teamwork.

Voting only takes a gold coin donation (which will go towards The Rhino Project) and a moment of your time.

The more people that know about The Australian Rhino Project, the greater their impact, so please also spread the word by sharing this page with your friends and family. Thank you in advance for your generosity, it means a lot.

THANK YOU
